

ST. ANDREW'S C.E. INFANTS' SCHOOL

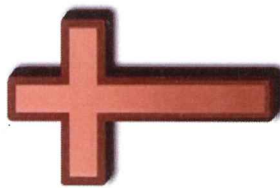

WORSHIP

This is a special time at St. Andrew's, with our community joining together to learn about Christian Value of the term, to celebrate our pupils who are trying their best in every area of school life. And reflecting on the message of the week with the impact on our lives.

Our Worshipers are inclusive, inspirational and invitational. Our pupils engage through drama, question time, drawing, responding to worship and being able to extend their understanding of bible stories and pupils walk with God.

Our Worshipers take place (currently at 2.30 p.m.) from Monday to Thursday and a Friday is our reflective Class Worship.

Our Worshipers are times of joy, learning, of developing connections, of coming together to sing and share prayers. They are times of reflection and provide moments of spiritual development through 'pausing' and being.

Our pupils are our Worship leaders welcoming us into Worship and sharing their prayers and their thoughts. Our Worship leaders also evaluate Worship and provide feedback for those invaluable next steps.

We are delighted to welcome Father Josh from St. Andrew's Church and Spinnaker practitioners who both lead Worship here regularly providing a different lens for us to look through as spiritual beings.
