

MEET THE TEAM

Mr. Robson is your teacher!

Mrs. South
Teaching Assistant

Welcome to Raccoons

A little message from your teacher...

Welcome to an exciting new school year. We are looking forward to getting to know you. In Raccoons we aim to develop new skills and thrive academically, socially and emotionally. We will explore new challenges from mastering phonics to exploring the world around us. It's going to be a fun year and we can't wait for you to be a part of it with us!

A Little bit about me!

I have been teaching at St Andrews Infants School for over 15 years! I was born in Wales but currently live in Eastbourne with my amazing wife & two fantastic children. I enjoy listening to music, watching films, playing board & video games and love all things Japanese.
