

MEET THE TEAM

Welcome to Armadillo Class

I have been a teacher at St Andrew's for over 25 years, with 14 of them as Deputy Head.

In my spare time I love carp fishing, both here and in France, Arsenal football club and anything Star Wars!!

Mr. C

I have been working at St Andrews for 6 years and have enjoyed every moment working here. I was born in Suffolk and am a keen Ipswich Town supporter! I have lived in Eastbourne for 16 years and I enjoy living by the sea. I have two daughters who attended St Andrews and had a wonderful time here. I love going on holiday to sunny places and I enjoy spending days at the beach.

Mrs. Steinschauer

Mrs. Davies
(Teaching Assistant)

A little message from your teachers...

This year will be an incredible year for St. Andrew's. Armadillo class will be our first ever mixed year group class, and I am so excited for the new challenge that waits all of us. We will be learning together, building on existing skills and supporting each other through a range of new topics. Armadillo learners will be resilient, independent, inquisitive and ready for anything!!
