DRAFT

Aims

St. Andrew's CE Infants' is committed to provide, as far as is reasonably practicable, safe playgrounds and outdoor areas and learning environments for the children of our school. This policy seeks to clarify the level of supervision provided before, during and after the school day so that all staff (including contractors, agencies, and third-party organisations) and parents or carers are aware of the standards that are expected.

Supervisory Responsibilities

DRAFT

The headteacher will:

- Ensure the maintenance of good order and discipline at all times during the school day when pupils are present on the school premises or on educational visits.
- Ensure adequate staff are available to meet the required supervision requirements for before the start of the school day, during break times and lunch times, and at the end of the school day until all children have left the school grounds or are under parental or carer supervision.
- Ensure that our new nursery is in ratio at all times-
  2 Year olds-1 adult for every 5 pupils
  3 Year olds +- 1 adult for every 8 pupils, teaching staff 1 adult for 13 pupils
- Organise appropriate training for school personnel.
- Ensure that staff are aware of their supervisory responsibilities.
- Continue to develop a culture of safety and a safe environment for our children.
- Ensure that this policy is communicated to parents or carers.
- Monitor the effectiveness of this policy by speaking with pupils, school personnel, and parents.
- Review and evaluate the supervision procedures as required.

Supervising staff will:

- Support and assist in the implementation of this policy.

- Reinforce a 'safe play' message.
- Adhere to and follow the safeguarding and child protection, health and safety, and behaviour policies, and the staff behaviour policy/code of conduct, plus the additional policies listed on page 5.
- Report any concerns to the headteacher or member of the senior leadership team (SLT)/designated safeguarding lead (DSL) as appropriate.
- Understand their prime supervisory responsibility; to be with the class or group all the time. Children should not be put in the position of being left unsupervised. Good preparation and classroom management should ensure that there is no necessity for this to be the case.
- Have a strong awareness of the need for supervision at transition times. This includes supervision of cloakroom/toilet areas, supervision of transition to pick-up time, and supervision of use of toilets at the beginning and end of the school day. Risk assessments must be in place.
- Have an awareness of which pupils have specific health needs/conditions which may warrant an immediate response in an emergency e.g. pupils requiring an inhaler / EpiPen and that emergency medication is available as per an individual plan.

DRAFT

Parents and Carers will:

- Respect the arrangements provided for the supervision of their children and understand the times that supervision will be available.
- Support the supervisory staff by ensuring that their children (including other siblings who may not currently attend the school) adhere to the rules of the school whenever they are on the school site or participating in school events and activities.
- Report any concerns to the headteacher or member of the senior leadership team (SLT) or designated safeguarding lead (DSL) as appropriate.
- Inform the school of any changes to the arrangements for the collection of their child.

Before school

Children, which includes pupils and their siblings, must behave in a way that respects the adults and smaller children on the playground.

- The duty staff go outside at 8.25a.m to each gate (2 gates open at this time.) One duty staff stands at each gate to ensure no children leave the playground after their arrival.
- Duty staff are situated by the main gate and other key entrances to ensure that children come in but do not go out again.
- From the time that the school takes responsibility for children, all teachers must be ready to receive their class.
- Staff should be available by 8.30a.m to receive any messages from parents and to bring in children as promptly as possible.

Parent/carers should also note that there will not be staff on duty before 8.25a.m and are encouraged to remain with their children until the gates are opened. Should there be any incidents such as bullying or accidents, the school cannot be held responsible and supervisory responsibility will remain with the parent/carer until the time specified above.

The gates will be opened at 8.25a.m for access to Reception classes and KS1 and will remain open until 8.35a.m. Any latecomers must report to the main school reception area. Our Nursery commences at 9.00a.m and can be accessed by the Vine Square gates.

Supervision Arrangements

During the school day all visitors with business in the school will be admitted through the school office where they will sign in and receive a visitor's lanyard/badge. Certain visitors to the school will be accompanied by a member of staff throughout their visit (those without a DBS with a red lanyard.)

Leaving the school site: Children should not be allowed off-site during school hours unless there is clear evidence of a request (in writing, by email, or in person) from the parents/carers.

Errands: Children should not be sent off-site on a personal errand on behalf of a member of staff.

Illness: When children are taken ill during the school day the school will contact the parents/carers, whether at home or at work. Information about contacts is kept in the school office.

Lesson Time: Children must be supervised always. Children should not be left in classrooms without supervision. Children attending clubs and extra-curricular activities should not be left in school unattended.

The school needs to ensure that arrangements are in place for the handover of children attending any clubs or extra-curricular activities.

Visitors: All visitors to the school are expected to sign in and out. Visitors are required to wear a visitor's lanyard/badge. All staff should check strangers by politely asking why they are on the premises and report to the school office if there is a concern.

Parents/carers are not allowed to approach children from other families to sort out disputes or arguments; staff or parents/carers should report any concerns about this to the school office.

DRAFT

Break Times

The headteacher/Deputy headteacher will:

- Review break duty arrangements daily in the event of any staff sickness/absence thereby providing adequate supervision ratios.
- Make the decision about whether it is a wet break time and ensure that there are adequate levels of supervision throughout the premises.
- Provide supervision training for new members of staff to ensure children are safeguarded.

Games/PE

- If it is not appropriate for children to change together in the classroom for PE, then the teacher should ensure that there is some supervision of both groups whilst changing. Current procedures are that pupils come into school wearing PE kit on their PE day.
- Children who cannot take part in games activities can join their group as an observer (warm weather only). If this is not appropriate, then children must be designated a class or person and must report to that teacher with some work to do.

Children's Responsibilities & Duties

- When allocating jobs/tasks to pupils, safety must be a prime consideration. It would not be appropriate for children to be involved with plugging electrical apparatus into the mains unless they were directly supervised, for example. Children doing jobs/tasks must be directly supervised by the teacher.
- Children should not be left in classrooms or communal areas during normal break times without appropriate adult supervision.
- All children have a duty to leave the building promptly during break-time and should be aware that once they have left the building they should not return unless it is to go to the toilet.
- Children who are expected to stay in to finish work are the responsibility of the teacher requesting them to do so and they must be supervised.

Staff will:

- Supervise the children in their care all the time.
- Dismiss their class to the playground and check that supervisory staff are present before leaving the area.
- If it is deemed inadvisable for a child to be on the playground during break times because of their behaviour, the class teacher will make the decision on whether the child should remain inside under the supervision of a member of staff.

DRAFT

- Ensure that toilet areas are adequately supervised during break and lunchtimes, ensuring pupils are returning to the playground as soon as possible.
- We expect children to enter school in the appropriate manner to ensure a positive start to their first lesson. Particular attention should be paid to supervising children in congested areas.

Members of Staff on Supervisory Duty: Staff need to be vigilant on the playground at all times, in the KS1 playground -supervising areas such as the secret garden, all areas of the astroturf, near the staff room and when pupils are using the equipment , e.g traversing wall and trimtrail. All areas of the EYFS playground need to be supervised, e.g near Owls classroom, the tree area, whilst on the play area and when on the bikes.

Staff must be in the playground from before break time starts and remain there until all the children are sent inside.

- Use high-vis jackets/vests to be easily identifiable and be vigilant always.
- Not indulge in protracted conversation with other members of staff.
- Deal with any incidents of behaviour and report them to the relevant member of staff.
- Report any safeguarding incidents/concerns to the DSL/Deputy DSLs immediately via the school system
- Must be clear about the procedures in relation to the administration of emergency medication during lunch and playtimes, including, which pupils are managing their own emergency medication e.g. inhalers and EpiPens or know which staff member/s has delegated responsibility to manage this.
- Low level First aid can be administered on the playground by trained members of staff, however sufficient cover must be available.
- Any first aid administered must be recorded on Meditracker (via a school ipad- parents are notified through this system) It is good practice to mention a significant first aid matter to the class teacher when they collect the class from the playground.

DRAFT

Lunchtimes

The headteacher/ deputy head teacher/SLT will make the decision about whether it is a wet lunchtime and review arrangements daily in the event of any staff sickness/absence to ensure there are satisfactory levels of supervision throughout the lunch break. It is considered that these adults have a very important role within the school and the contribution they make to the management of the school, and the care and welfare of the children, is valued very highly. The head teacher is responsible for the management, training, and welfare of the supervisors in school. The playground will be supervised at lunchtime by staff wearing high vis jackets in designated areas-as above. Communication between the supervising members of staff and the school office is undertaken by walkie talkie's. In the event of an incident or unexpected occurrence, the headteacher will ensure additional support will be provided to assist in the situation. The headteacher can be communicated with by walkie talkie.

The Role of the Staff on Duty at Lunchtime

Staff on duty at lunchtime are responsible for:

- Supervising children on the school site as required by the headteacher.
- Dealing with minor incidents and accidents following the health and safety policy.
- Are clear about the procedures in relation to the administration of emergency medication during lunch and playtimes, including, which pupils are managing their own emergency medication e.g., inhalers and EpiPens themselves or which staff member has delegated responsibility to manage this.
- Organising activities for the children during wet lunch breaks-see wet break rotas; staff must not leave their designated areas.
- Over-seeing children's care and welfare during the lunch break, especially in the playground.

DRAFT

- Undertaking training as required.
- Report any safeguarding incidents/concerns to the DSL/DDSL as soon as possible via the agreed systems.

General organisation

Each member of staff on duty at lunchtime has a specific role to play within the general organisation and is given a specific schedule to follow. The tasks are timetabled; staff **must** keep to the schedule.

General duties

DRAFT

Members of staff on duty at lunchtime are responsible for:

- Supervising children eating their lunch.
- Managing the children's behaviour, including orderly queuing.

- Individual epipens must be left with the First Aider on duty for ease of access. These need to be given back to the class teacher at the end of playtimes. Other allergy medication, e.g asthma medication must be within five minutes from the child at all times.

Guidelines

- Do not stay in one place for any length of time (within your designated area).
- Make sure you supervise the areas of the school building for which you are responsible.
- Inform the Headteacher /DSL if you become aware of an area which you believe requires additional vigilance or falls outside of sightlines in terms of supervision.
- Do not stand talking to other staff or spend a long time with one group of children.
- Follow the school's behaviour policy.
- Aggressive play, bullying or concerns should be reported to the class teacher and/or SLT.
- Record all accidents in the minor injuries record and seek help if the accident is a cause for concern.
- Read the health and safety policy for advice.
- Watch the games the children are playing, but do not get too absorbed, as it might distract you from what is going on elsewhere-be vigilant.
- Do not let children spend all their time with you, as it can prevent them from mixing with other children.
- Avoid playing games with the children after you have initiated them; encourage play between them to facilitate a high level of supervision.
- Avoid questions to children that could be interpreted as 'prying' into family matters.
- Pass all lunchtime issues to appropriate staff e.g., class teacher/DSL.
- Treat the children fairly, equally and with respect.
- Be vigilant of groups of mixed-age children; pay attention, particularly, to KS1 pupils.
- Be vigilant of pupils with complex special educational needs and disabilities/behavioural needs.

DRAFT

After school

The doors for all **classes will open for exit at 3.00p.m.The class** teachers will escort the children to the doors and ensure that they are met and collected by an appropriate person.

Staff **MUST NOT** release children to persons that are not known to them, and parents/carers must communicate any alternative arrangements to the school if they wish their children to be collected by another named person.

Children should never wait outside for lifts or taxis. They should be collected from the reception area. For pupils who qualify for travel assistance and are transported to and from school via a taxi and/or other school transport, staff should ensure that unfamiliar/new transport personnel are confirmed as the appropriately assigned persons to transport that pupil. They will check and seek reassurances before releasing the pupil.

Children, which includes pupils and their siblings, must behave in a way that respects the adults and smaller children on the playground at the end of the school day.

Safeguarding – After School Provision

- It is the school's responsibility to ensure third party providers are prepared to adopt the school's policies. All providers will be informed of the systems, procedures, and expectations for safeguarding.
- It is the responsibility of the provider to contact SPOA / the Head Teacher/ Designated Safeguarding Lead (DSL) in the event of a safeguarding incident / concern e.g., child disclosure.

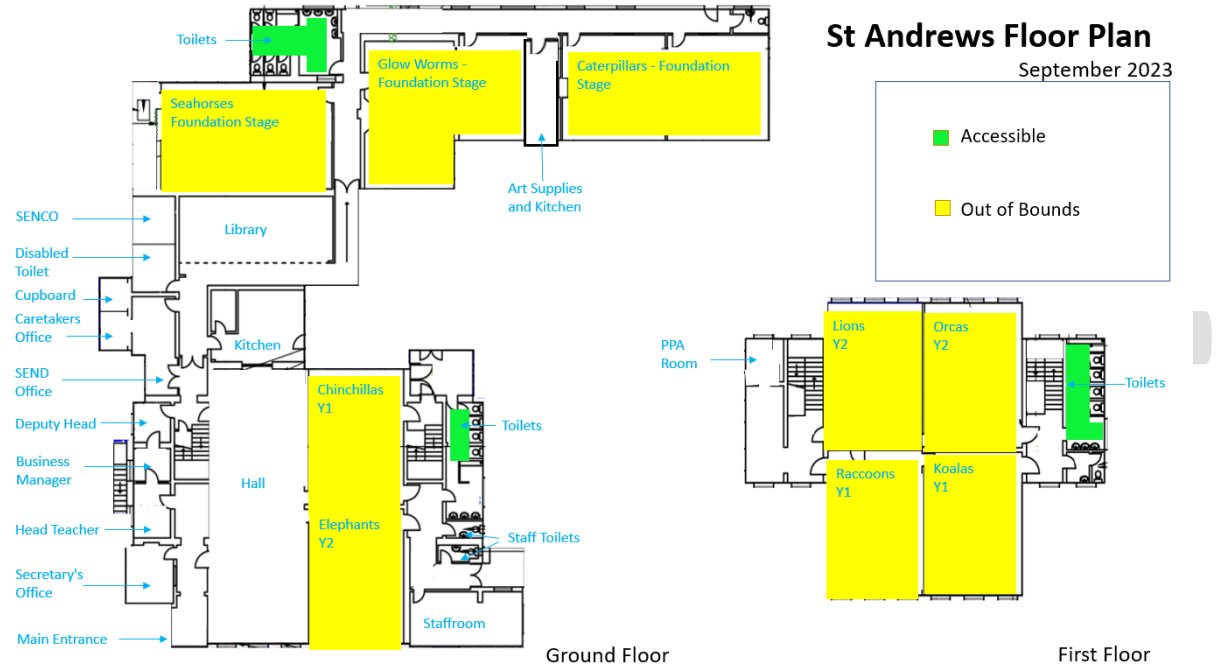
Appendix A

A map of the school showing any areas which are out of bounds to children, the position of staff when on duty outside plus other relevant information for each school.



Appendix B

A letter which is used to gather the collection arrangements for the children.

Dear parents/carers,

At St. Andrew's CE Infants' we regard the security and the safety of children and adults as a priority. Children will only be allowed to leave the school with a parent/carer, or someone authorised by their parents/carers. It is vital that collection details are clarified, and emergency contacts are correct, as we may need to contact you urgently. Please could you complete the attached form and return it to school as soon as possible.

We realise that there will always be days when your normal arrangements are not possible – we just ask that you ring into reception as early as possible to inform us, so that we can let your child's class teacher know.

Please collect your child promptly. If you, or the person collecting your child, are going to be late please telephone to inform us. If you are late your child will be in after school club, this ensures that they are with an adult.

You may also note if there is anyone who you DO NOT want your child collected by. If you would like to discuss a difficult situation, please either speak to your child's class teacher or call the school to arrange an appointment with the headteacher.

Thank you for your support and we appreciate your patience in this.

Yours faithfully,

Designated Safeguarding Lead
