

ST. ANDREW'S C.E. INFANTS' SCHOOL

'Learning Together in Friendship and Faith'

Dear Parents/Carers,

No. 26 March 2026

As we reach the end of a rather quick but effective term 4 we would like to celebrate each and every pupil for their contributions this term and their performance in the Spring Service, they filled St. Andrew's with song and soul.

Our FS are rounding off their 'Once upon a time' focus with some wonderful letters from Goldilocks. Max has written—'I am sorry for breaking your chair, sorry for eating your porridge and for sleeping in your bed' luv from Goldilocks. (I did wonder if this had been an accident in school initially!)

Year 1's have completed some very exciting, wonderfully organised road trips to the library by public transport. And Year 2's have completed their focus on 'Fire of London' - they have been constructing some extremely impressive non-fiction booklets—I found out the weather had been good if windy (which didn't help!) on the day of the Great Fire.

Our very best wishes for the Easter break. Looking forward to seeing our wonderful school community return on Monday 13th April.

DATES FOR DIARY

27th March: Last day of term 4 (After School Club finishes at 4 p.m.)

School Holiday: 30th March—10th April

13th April: First day of term 5

4th May: School Closed—Bank Holiday

8th & 15th May: Vision & NCMP Screening for FS

ATTENDANCE

Well done to Glow Worms Class, whose attendance was 96.97% this week.

THANKS

To the Easter Bunny and Tesco for donating the Easter Eggs for our pupils this year.

CHRISTIAN VALUE

Our Christian Value of forgiveness has led us to think of stories such as the prodigal son and Zaccheus—some of the words our pupils suggested were mercy—compassion, hope and giving others another chance. Our next Christian Value for term 5 is thankfulness—the importance of being grateful and saying thank you will be explored.

NEW DINNER MENU

Please note that there will be a new dinner menu starting after the Easter break. The new menu will be available through the school website or direct on Relish, if you have access to their website.

TERM 5 TOPICS

Our topics for term 5 are:

EYFS—Our Wonderful World

Year 1—Toy Story

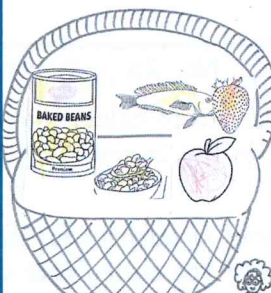

Year 2—Oh, I do like to be beside the Seaside

FREDDIE & RONNIE'S WORK

Why did the fire spread?

The fire spread because the houses were made of wood and the houses were close together. It was very hot and dry and the people were smoking. It didn't help with the fire to. It was very windy so the fire could spread easier. In those days the roofs were made out of straw and they didn't have a fire brigade. How interesting the fire was. And they tried to stop the fire with leather buckets but it was too hot.

Why did the fire spread?

The fire spread because the house was made from wood and the houses were close together so the spread easily. Some brave people tried to put the fire out with leather buckets and water squirts but it didn't work.
