

ST. ANDREW'S C.E. INFANTS' SCHOOL

'Learning Together in Friendship and Faith'

Dear Parents/Carers,

No. 35 July 2026

Thank you for this year, your support, your extraordinary sense of community, your positive communication with us and, for your children. They make this school the place that it is, giving their all, trying their best, taking so much in their stride. Each group has shown us what they can do, how they can be—their recent shows/services and sports days were outstanding. As this is our final newsletter, I would like to take this opportunity to wish our Year 2's the very, very best wishes—they will never be forgotten, we thank them for the joy they have given us this year especially. We look forward to seeing our new Year 1's and Year 2's returning to St. Andrew's on Monday 7th September, with transition opportunities for our Reception and Nursery pupils that week. We hope you have a wonderful summer.
