

ST. ANDREW'S C.E. INFANTS' SCHOOL

'Learning Together in Friendship and Faith'

Dear Parents/Carers,

No. 29 May 2026

A shorter but exciting week last week with FS off to the beach—they found an array of shells, crabs legs and some cuttle fish. A wonderful trip and some extraordinary work, as a result this week, with lobsters, starfish and seahorses being described independently.

Year 1 pupils have been making their writing so interesting over the last 2 weeks:- this week's work has some stunning starters—Tabitha wrote:- 'one scorching day the orange camel walked in the dusty desert'.

Year 2's are working so hard and last week created the most extraordinary and persuasive letters which include rhetorical questions such as 'Did you know that in 2050 there will be more plastic than fish' from Ronnie. Their trip to the Towner was amazing and they were able to see original Ravilious paintings and sketch some still life exhibits. Our thanks to Mr Clark for his amazing organisation and to all our parents who enabled this trip to take place.

SECRET GARDEN

We are keen to develop our Secret Garden area and wonder if any of our lovely school community would have any shrubs you could donate to us to plant up in the Secret Garden.
