

ST. ANDREW'S C.E. INFANTS' SCHOOL

'Learning Together in Friendship and Faith'

Dear Parents/Carers,

No. 12 November 2025

A focused week this week with FS exploring floating and sinking with a number of objects—they are able to describe exactly which object could float or sink—impressive FS! In Drawing Club they have been looking at the classic tale of Rosie's Walk (please see Olivia's Rosie below).

Year 1's are continuing their work on dinosaurs—in Koalas pupils made up their own dinosaur - looked at habitat, diet, adaptations and which feature of their dinosaur they thought was special! Well done Koalas.

Our Year 2's are working with column maths! The work that is being carried out is extremely mature and shows a well established understanding of numbers - keep up the good work Year 2. 😊

A thank you to our staff, Mrs Whitlock and some lovely parents who attended meetings on Tuesday 25th.

We are beginning to think about Christmas—Church rehearsals are in full swing. We look forward to welcoming you on the dates below if you can make it. Please can we request no more than 2 members of each family. Thank you.

ZIG ZAGS

Please can we ask our school community **NOT** to park on the zig zag lines at all times—for everyone's visibility and safety. Please note that the sign states 'No Parking on school entrance markings'. As there is no time stated this means 'at all times'. Thank you.

ATTENDANCE

Well done to Lions Class, whose attendance was 99.5% this week—amazing!!

LARGE CARDBOARD BOXES

We, at times, have a fair number of large sturdy cardboard boxes if any of our school community would like—ideal if you are clearing/sorting things out! Do pop into the school office. Thank you.

LOST PROPERTY

Our Lost Property cupboard is full now so we are looking to showing unnamed clothing on the KS1 playground each Friday afternoon in December, with thanks indeed.

Please clearly label all uniform so that all items can be returned to your child.
